KEEBRA PARK SHS

BYOD (Bring Your Own Device) Application

Students planning on bringing their own device to school as a tool to assist in their learning must complete the following application and return to the IT department located in our student resource centre. The application will be reviewed to ensure the device will comply with the recommended specifications and be capable of connecting to the school's network. On approval an appropriate time/date for connection to the network will be scheduled.

Permission

- Permission is granted for my child to bring their own device to school as a tool to assist in their learning.
- My child's use of the device requires the appropriate student ICT use policies are maintained.
- Supervising staff may take whatever disciplinary action they deem necessary to ensure the safety, wellbeing and successful conduct of the students as a group, or individually, when using this device
- I acknowledge it is my child's responsibility to ensure all items stored on the device are backed up appropriately.
- Where applicable it is my child's responsibility to maintain an appropriate level of anti-virus protection on the device.
- It is my child's responsibility to ensure the device is fully charged when bring it to school.
- I acknowledge that the Department of Education, Training and the Arts does not have insurance cover for student's personal devices.
