

Investing for Success

**Under this agreement for 2017
Keebra Park State High School will receive**

\$424 000*

This funding will be used to

- Identify and improve student support for low level literacy and numeracy students in 2017
- Increase the percentage of students meeting the NMS in all strands to 100% by 2018
- Increase the percentage of students in the NAPLAN U2B to greater than 20% across all bands by 2018
- Maintain senior data with respect to QCE and qualifications
- Improve teacher capability, including both literacy and numeracy skills and pedagogical delivery, through focused coaching and professional development to improve student performance

Our initiatives include

- Increase rigour around the delivery of literacy and numeracy strategies
- Using research based practice and school based data provide holistic and targeted intervention strategies to improve literacy and numeracy and overall results in Math, English and Science
- Rigorous tracking and strategic senior schooling planning for improved senior student outcomes
- Professional development targeting school and staff needs as identified y strategic plan and personal development plans

Our school will improve student outcomes by

Ongoing support of multi lit program/EAL/IEC and Reading through provision of TA	\$145 000
Financial support of senior phase of learning	\$25000
Professional development program for staff capacity development	\$50000
